MEMORANDUM FOR: See Distribution

25X1 FROM:

Information Systems Branch,
Engineering Division, EAG/PTS/OS

25X1 SUBJECT: Optical Disk Security Study Working Group

25X1 The first meeting of the Optical Disk Security Study Working
25X1 Group will convene at 0930, 10 Nov 87
25X1 The purpose of the meeting is to introduce members of
25X1 the working group to each other, to the contractor,
25X1 and to review plan on how they will
conduct the Optical Disk Security Study. Each Working Group member
25X1 is encouraged to pose questions or suggestions regarding the
study.

25X1 The Optical Disk Security Study has been undertaken to
determine the best method of securing data on disks, the control
of disks, and an appropriate method of disk destruction after it
is no longer needed by the Agency. has been given the
following engineering tasks and subtasks:

I. Conduct a Survey of Optical Disk Applications and
Technologies

- I-1. Identify Current Applications within Agency and
Perform Problem Assessment
- I-2. Assemble Technology Database and Provide
Assessment
- I-3. Identify Future Applications
- II. Perform Vulnerability/Threat Analysis

~~SECRET~~

25X1 SUBJECT: Optical Disk Security Study Working Group

III. Determine Approaches to System Security

25X1 IV. Provide Detailed Implementation Recommendations

25X1 If you desire further information, I can be reached on secure

25X1
